4 SWCA Chairman's Report 29 October 2018

The Stirling International Invitational Event was as usual very well organised with participants from across the World participating. Many thanks to the organising Committee for continuing to host this event. This year due to China withdrawing at the last minute it allowed a Scottish Team to participate. With this team and also the Scotland and England National teams it gave some of our home-grown players the opportunity to experience the atmosphere.

As the Worlds are due to be held at this venue in March 2109, it gave the Committee the opportunity to have a "dry run" allowing them to smooth out any minor details.

We still have not had any confirmation of funding for the Inter Club League, hopefully we should hear soon.

5 Financial Report RM

The balance was £9,903. Also the interest in our 95 Day Notice Account amounts to £50.03 (the interest having increased from 0.4 to 0.6% .
